WINE OF CARDUI

FOR ALL WOMEN

NONE-TENTHS of all the pain and sickness from which women suffer is caused by weakness or derangement in the organs of menstruation. Nearly always when a woman is not well these organs are affected. But when they are strong and healthy a woman is very seldom sick.

Is nature's provision for the regulation of the menstrual function. It cures all "female troubles." It is equally effective for the girl in her teens, the young wife with domestic and maternal cares, and the woman approaching the period known as the "Change of Life." They all need it. They are all benefitted by it.

For advice in cases requiring special directions, address, giving symptoms, the "Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.

THOS. J. COOPER, Tupelo, Miss., says: "My sister suffered from very irregular and painful menstruation and doctors could not relieve her. Wine of Cardui entirely cured her and also helped my mother through the Change of Life."
